

CARTIERUL CREATIV @ROMANIAN DESIGN WEEK

OPEN CALL FOR RDW EVENTS:

We are addressing:

designers / entrepreneurs / design galleries / architecture studios
/ NGOs / public institutions / advertising agencies /
publishers & all kind of content creators

to come host
a design related event at RDW 2019!

deadline: March, 1st

In order to participate, you must:

- **Come up with a design related concept**

Your event must be relevant to RDW and feature Romanian design. Anything from exhibitions, installations, product launches to talks, workshops, parties, open doors or different gatherings with a focus on design.

- **Organise your event in the Creative Quarter**

This year, RDW will show its focus on the Creative Quarter, an area that brings together a new generation of artists and entrepreneurs, universities and some of the most important cultural institutions. The Creative Quarter is located within the historical area of Cișmigiu Garden and has as highlights Queen Elisabeth Boulevard, Calea Victoriei, Grivita Boulevard, Matache Square, Berzei Street, Calea Victoriei and Amzei Market.

Connected Events of RDW 2019 must take place in the Creative Quarter. The organiser is not required to have their headquarters in the area, as they can find a space located [here](#) to host their event. Find the detailed map [here](#).

- **Read the Rules and Regulations**

Before you apply, make sure you are acquainted with the rules for before and after the admission process. Find everything you need to know [here](#).

If you look for further details, find us at hello@romaniandesignweek.com

- **Fill in the Entry Form**

Please read carefully and fill in all requested info.

[Start your application now.](#)

Here are some of our suggestions:

Whether we are talking outdoor or indoor, public spaces or your own, here are some of the activities you can host during this RDW edition. You can create your event in collaboration with (other) designers, artists and creatives and bring forward your idea.

We encourage collaboration and multidisciplinary, so feel free to find inspiration in events similar to those listed below:

- **exhibitions**
- **talks / conferences**
- **open doors & drinks**
- **installations**
- **live art / design acts**
- **guide tours**
- **design related events featuring product design / social design / architecture / food design / graphic design / interior design / fashion design & others**
